12 F. (Left to Right) Front Row: Dr. Charles W. Mayes, Mrs. Merle Halberg, Mr. Walter McPheeters. Back Row: Mr. Charles D. Andrews, Mr. Donald W. Dyer (Secretary), Mr. Julius Levering, Mr. William B. Coon (Chairman).

more

We wish to take this opportunity to thank the members of the School Board for their untiring efforts and extreme faithfulness to the Brethren Schools. It has been because of their willingness to work for Him that they have seen this school grow from an enrollment of 92 to 400. Their work has been to solve the pressing immediate problems of our school and at the same time plan for the future.

Administration

(Left to Right) Bob Hurley (Vice-President), Mr. Flory (Principal), Gordon Austin (President), Pat Benner (Secretary).

As our school principal, Mr. Flory has served us well during the past year. In our activities and problems he has guided us with love and a true spirit of co-operation. With God's help, the student body and administration has been able to work with complete harmony.

Dedication

Three years ago God laid upon the hearts of two consecrated Christians to present their lives for His service, at the Brethren High School.

Living their lives for Him they pressed on toward the mark of the High Calling of Jesus Christ.

Answering the qualms of the students, being of help wherever they were needed, they have come to fill a real place in our hearts.

They have later become known to us as Mr. and Mrs. James Crawford. It is to this couple that we proudly dedicate this annual, the Ambassadors of 1953.
